This is to certify that	at I have examined this application together with the accompa	anying maps
and data and am returning it for correction	or completion as follows:	
and data, and an returning it for correction	tor completion as Johows.	
· · · · · · · · · · · · · · · · · · ·	to priority data this and back to the second back t	
In order to retain it	ts priority date, this application must be returned to the De	partment of
Ecology, with corrections, on or before	, 19	
Witness my hand this	s	

Scale: 1 inch = 800 feet (each small square = 10 acres)

Show by a cross (X) the location of point of diversion (surface water source) or point of withdrawal (ground water source): For ground water applications, show by a circle (O) the locations of other wells or works within a quarter of a mile.

Indicate traveling directions from nearest town in space below.

Travel north on West Chewuch Road from Winthrop to intersection with Cub Creek Road. Turn left on Cub Creek Road, go 2-1/2 miles and property is on the right hand side of the road. Call David Ebenger, Winthrop, WA - 509-996-2206 if you need additional directions.
